Welcome Address

BY THE HEAD OF SCHOOL

Dear Grange School Community,

As we embark on the May edition of our school newsletter, I offer a warm welcome to all the members of our school community. Let's take this opportunity to come together and reflect on the events of the recent weeks.

This newsletter serves as a testament to the collective efforts and achievements of our students, teachers, and staff.

As always, you'll discover a rich array of content within these pages, showcasing our academic triumphs, the latest happenings in our co-curricular events, and valuable insights into our educational endeavors. Moreover, our pastoral section proudly spotlights the remarkable contributions made by both our students and staff members. I wish our newly appointed Year 10 school leaders (Prefects) all the best in their new roles and it was wonderful to see the school community enthusiastically applaud them into their new positions.

As usual there have been so many positive experiences our students have engaged in over the course of the month including triumphant victories in the Inter-Schools Athletics competitions and Ikoyi club swimming gala in which Grange won at both primary and Secondary levels. I hope you enjoy reading the newsletter, whether it be celebrating our achievements, staying informed about important dates, or simply recognizing the variety of engaging activities our students have participated in.

As we look ahead to the remainder of the term, let us continue to work together in fostering a supportive and enriching learning environment for all members of our school community. Thank you for your continued dedication and partnership.

Warm regards,

Richard McMahon
BA.Ed(Hons), MA.Ed, PTC, PENTA
Principal / Head of School

FROM THE DESK OF THE HEAD OF PRIMARY

Dear Parents/Guardians

The 15th April 2024 marked the first day of the Summer Term, the last, but by no means the last term of the 2023/2024 academic session.

Our school community continues to thrive, not only academically, culturally and in our various sporting endeavours, but also in fostering a nurturing environment where every child feels valued and supported. We continue to be amazed by the achievements of our confident, happy and friendly pupils who take delight in their participation in all aspects of school life.

We have a very busy term, participating in sporting events, cultural events, our end of term examinations and our Art Exhibition and Summer Concert at the end of this term.

During the first half of the term we have enjoyed success on the sports field and in the swimming pool. Grange School emerged victorious at the Athletics School Games held on Saturday 27th April 2024 and again on Saturday 4th May 2024 at the Zenith Bank/Ikoyi Club Swimming Gala. Well done and congratulations to all our pupils.

Our Science Fair was lots of fun, with pupils sharing their investigations and understanding of science concepts with us. Following on from this we have participated in the Cobis Science Challenge.

We continue to enjoy the performances of the Primary School Choir and on Thursday 23rd May 2024, Grange School won the Primary Schools Choir competition at the Muson Centre. This was the final day of a three day competition for vocalists, instrumentalists and choirs. During this competition a number of our pupils won individual awards for vocals and instruments. Congratulations to all our pupils who represented Grange School so well.

We now have the half- term break to look forward to and our Year 5 pupils will be heading to the UK for their leadership trip. This promises to be an action packed week.

Thank you for your continued partnership and support, together we are shaping bright futures, developing talents and laying the foundation for future success.

Mrs Ailsa Griffiths
Head of Primary

FROM THE DESK OF THE HEAD OF SECONDARY

Dear Secondary School Parents,

Welcome to the Summer Term!

I hope you all had a restful and enjoyable break. As we embark on this new term, I am filled with excitement and anticipation for the wonderful opportunities and experiences that lie ahead.

The Summer Term is always a vibrant and dynamic period in our school calendar. It is a time for both academic progress and personal growth. Our dedicated staff has worked diligently to prepare a term filled with engaging lessons, enriching co-curricular activities, and special events that will enhance the learning experience for all our students.

This term, we will continue to focus on academic excellence, encouraging our students to strive for their personal best in all their endeavours. We will also emphasise the importance of holistic development of our students. Our aim is to nurture well-rounded individuals who are academically proficient, socially responsible, and emotionally resilient.

In the course of the term, we have had several exciting events such as the accolades assembly where students who distinguished themselves in their academics and/or conduct were celebrated. We inducted our Year 10 student leaders for the 2024/2025 academic year as our Year 11 students focus on their IGCSE examination.

Our students have continued to excel on the sports field, clinching the trophies at both the 5th edition of the Dolphin Swimming League, and the Zenith/Ikoyi Club swimming competitions. These activities provide valuable opportunities for students to develop new interests, build lasting friendships, and create cherished memories.

Our Year 8 students are preparing to go on an educational and cultural immersion programme to France, just as 63 Year 9 students will participate in the Final Adventurous Journey of the Duke of Edinburgh Programme which will enable participants to become recipients of the Bronze Award. I therefore encourage all students to take full advantage of the opportunities available to them this term, and engage actively in classes, participate in co-curricular activities, and seek support whenever needed. Our staff is here to support them every step of the way.

To our parents and guardians, your partnership is crucial to our success. We value your continued support and collaboration. Please feel free to reach out to us with any questions or concerns.

Let us work together to make this Summer Term a truly memorable and successful one. I look forward to witnessing every student's growth and achievements.

Kind regards,

Olufunke Sotunde (Mrs.)
Deputy Head Grange Secondary School.

PASTORAL SPOTLIGHT

Pastoral Accolades- Threshold Awards

Good conduct is celebrated at all levels in the school. A total of twenty students achieved the threshold pastoral awards for good conduct at the Lent term accolade's assembly on the 3rd of May. The awards were issued to students in years 8 to 10. There were 10 bronze, 5 silver and 10 gold awardees. They were decorated with their badges and issued with certificate

Induction of Student Leaders

The newly appointed student leaders for 2024-2025 were inducted on the 15th of May. The atmosphere was electrified as they were assigned various portfolios and decorated with their braided blazers. To lead the team are the Head prefect boy, Oluwatosin Adebayo and the Head prefect girl, Fareeda Ogunwoolu. We wish them well in their new roles.

Pastoral Line Awards

Grange school rewards positive behaviour in and out of the classroom. The Monday assembly of the 6th of May was dedicated towards the issuance of the pastoral line awards for good conduct. A total of 92 students received conduct badges and certificates at the event.

Mental health Awareness Month

The month of May 2024 is dedicated to Mental Health awareness worldwide. At the Secondary assembly on Monday 13th May, there were presentations on mental health awareness by the year 10s- Damilola Demuren and Obateniayo Oridota. A beautiful recitation of poem was also done by Oogoluwayimika Abe.

Body Image seminar:

In observance of World Mental Health Month, Year 9 and 10 students participated in a seminar on "Building a healthy body image: Loving yourself." The seminar was held on gender basis and facilitated by certified Psychologists. Feedback from both classes was very positive.

Special PSHE program for Year 7.

We aim to equip our Year 7 students with essential skills for navigating the modern world. External facilitators are conduct training sessions during their Tuesday PSHE lessons, focusing on social and emotional learning, resilience, identity, conflict resolution and communication skills.

YEAR 2B CLASS ASSEMBLY

Year 2B children recently had an inspiring assembly themed, "Try out new things." It was a delightful occasion where the children showcased their creativity and enthusiasm through drama and dance, all while spreading a powerful message about the value of embracing new experiences.

Trying out new things is an essential part of personal growth and development, so everyone present was encouraged to explore new opportunities and

embrace fresh challenges. By embracing new experiences, we not only expand our horizons but also cultivate a sense of curiosity, resilience, and adaptability that are invaluable in today's ever-changing world.

Let's join hands in supporting the Year 2B children's initiative and make a conscious effort to embrace new experiences in our own lives.

YEAR 4A CLASS ASSEMBLY

Year 4 class assembly

Year 4A's Assembly in a word can be summarized as 'Amazing'. It was titled Talent+Good Character =Success. Its major aim was to highlight the importance of values such as kindness, respect, empathy, humility... The children brought their 'A' game when it came to this acting as we saw talents such as:

The Soccer Boys who thrilled us with their football skills (Let's watch out for the future Messi amongst them). The audience wasn't satiated after their performance and screamed for more.

The next talent was Squad 5: They came and dazzled us with their dance routine.

Thereafter came the 'The Talented Boys' who got everyone up on their seats dancing to the fast-paced song titled Feel the Magic in the Air. They also brought some magic onto that stage as the audience feasted their eyes on their acrobatic dance display.

Saving the best for the last, we had the Sparkle Girls'.- They defied every physics when it came to the elasticity of the body. They would give Simone Biles a run for her money. It was an intense competition as one of the judges said but the competition must have a winner. A tough call it was for the elegant judges as they called out the winners of the competition. There was a bit of drama as the Squad girls who thought they were going to win the competition (they had already boasted that they would previously were shocked to hear their name called out in the 3rd position. In disbelief and shame, they stomped out of the stage. In a timely manner, one of the judges rose up to order them back onto the stage or they will lose every chance to compete in the future (He sure sounded like Simon Cowell). Eventually, there was a tie between the Talented boys and the Squad girls.

The drama discouraged Bullying and encouraged tenacity.

In the end, the crowd cheered as they clapped and sang to the song, 'Feel the Magic in the Air', by Magic System.

In all it was a breathtaking performance.

KS2 INTERCLASS CHESS CHALLENGE

Grange School KS2 Interclass Chess Challenge.

Grange Primary hosted an interclass chess challenge for KS2 pupils. The event allowed participants to improve their problem-solving skills, strategic thinking, and love of the game.

The matches were intense, yet friendly, with pupils learning from each other and creating an electric atmosphere. This challenge provided a unique opportunity for pupils to enhance their critical thinking and problem-solving skills by thinking

ahead, anticipating strategies, and adapting their approach. Additionally, it fostered creativity and resourcefulness as students found unconventional solutions to complex problems. This event also taught valuable life skills such as resilience, sportsmanship, and teamwork.

Overall, this challenge reinforced our school's belief that learning should be a delightful and thrilling experience. It also showcased chess as a powerful tool for personal growth and development.

ZENITH IKOYI CLUB INTER-SCHOOL SWIMMING COMPETITION 2024 - PRIMARY

On Saturday, 4th of May 2024, the Ikoyi Club Swimming Pool buzzed with excitement as young swimmers from 16 different primary schools across Lagos came to compete. Cheers echoed in the stand as each participant showcased their aquatic prowess.

With determination in their strokes, Grange Primary School swimmers glided through the water, their kicks propelling them forward with precision. The pool shimmered with the reflection of their efforts, mirroring the intensity of the competition. As the races progressed our swimmers were gliding effortlessly and pushing their limits.

In the end, amidst cheers and applause, for the individual events, we won 3 Gold', 3 Silver' and 7 Bronze' while for the team events (relays) we won 2 Bronze' and 2 Silver' Medals.

Our own Washu Dankaro emerged as one of the competitors for the champions of champions race. Her face was beaming with pride as she got the cash prize of 10,000 naira. It was not just about the medals, but the joy of participation and the bonds forged in the shared love of swimming.

The Ikoyi club zenith swimming competition for our swimmers was not just a showcase of talent, but a celebration of determination, camaraderie, and the thrill of the water.

PRIMARY SCHOOL AISEN DRAMA COMPETITION

- 3RD PLACE WINNERS

On the 23rd of March 2024, Grange Primary School submitted her entry for the primary school AISEN drama competition. After much deliberation we chose a play that showcased the diverse ethnicity and culture of Nigeria. Each character represented a unique background, ethnicity and perspective, symbolizing the richness of diversity of Nigeria.

The underlying message of the play was:

- Acceptance and Understanding
- Cooperation and Collaboration
- Embracing Differences
- Building Unity
- Strength in Diversity

The play concluded with a powerful message of unity triumphing over division, leaving the audience inspired to embrace diversity and work together towards a harmonious future.

THE ATHLETICS SCHOOL GAMES

THE ATHLETICS SCHOOL GAMES (TASG) 2024

On Saturday 27th April, twenty-four primary students from Grange School, participated in The Athletics School Games (TASG) held at YabaTech, Yaba, Lagos. The Inaugural event gathered young athletes from various schools in Yaba, Lagos like International School, Akoka, Corona School, Avi Cienna School, to showcase their talents in individual and relay races.

These young Primary students in Year 2 to Year 6 represented our school with a lot of commitment, excitement, enthusiasm, and determination.

The students demonstrated exceptional teamwork throughout the competition. Their dedication to training and their commitment to the team's success were evident in each race. They all exhibited remarkable speed, agility, and precise baton exchanges, contributing significantly to the team's success.

Grange School team emerged victorious in the TASG 2024 competition out of over six schools that participated. Their outstanding performance secured the first position overall, bringing honor and recognition to our prestigious Grange School and the highlight for the children was when they got the confetti.

It is crucial to acknowledge the efforts of Mr. Jatto the Activities Coordinator, Coach Awe, Mrs. Adedini the Team Manager, and the parents who provided guidance, support, and encouragement throughout the training and competition process.

Grange School's triumph in the TASG 2024 is a source of pride to the Grange Community at large. Their success highlights the importance of determination, teamwork, and perseverance in pursuing one's goals. We congratulate the students on this remarkable accomplishment and look forward to witnessing their continued growth and success in future athletic endeavors.

CAREER FAIR AT DUCHESS HOSPITAL

Duchess Hospital invited our students to Career Fair on Wednesday 22nd May 2024. Their goal was to expose students to the various departments in the medical field.

The students were immediately welcomed by the vibrant staff on the fourth floor and began their walk around the different medical departments.

We started off with surgical department where we learnt of the different gadgets that were required to perform an operation. From an open heart surgery to a bullet removal, from a fracture repair to inserting metal in a bone, the students were enthralled at the detailed explanation of how these operations were done

The students were even allowed to wear the medical scrubs and felt like actual surgeons

The boys got talking to an Emergency room doctor who told them of all the trauma yet exciting experiences they will have and they decided that was the field for them.

Folabomi had a long discussion with the Family Care doctors still wearing her surgical cap.

Finally, the management of Duchess Hospital was cordial enough to take us around the hospital showing us their outstanding medical equipment. It was a great learning experience for the students and everyone who accompanied them.

Yimika had the opportunity of performing CPR on a dummy.

GRANGE BOARDING HOUSE SPOTLIGHT

The first half of the summer 2024 term at Grange Boarding House was exceptionally eventful, filled with enriching activities and memorable experiences. From educational excursions and hands-on learning opportunities to engaging recreational events, the term offered students a diverse array of activities that fostered personal growth and community spirit. Let's take a closer look at the highlights that made this half term truly unforgettable:

On Friday, April 19th, the Head of School, Mr. McMahon, held a meeting with the boarders immediately after school at the MPH. He discussed the school's expectations for their conduct both in the school and in the hostel and also gathered feedback from the students.

On some Fridays, there were Karaoke nights at the hostel where students serenaded one another with great songs, thrilling everyone

On Saturday, May 20th, 2024, we hosted a delightful barbecue sit-out event, transforming the hostel courtyard into a lively hub of "grilling and chilling." Attendees savored the aroma of sizzling delicacies as they mingled, laughed, and enjoyed the vibrant atmosphere.

On April 26th, the boarders gathered in the courtyard for a communal movie screening. After a collective vote, 'Kung-fu Panda 4' emerged as the preferred choice, captivating everyone's attention as they remained engrossed until the movie's conclusion.

One of the regular activities at the hostel included music sessions led by Mr. Oguntade on selected weekdays.

GRANGE BOARDING HOUSE SPOTLIGHT

Aerobics holds every Saturday in the hostel to shake off all the stress of the week.

On Thursday, May 2nd, we marked the birthdays of those born in March or April with a delightful celebration featuring a beautiful and sumptuous cake.

On Thursday, May 2nd, we marked the birthdays of those born in March or April with a delightful celebration featuring a beautiful and sumptuous cake.

The boarders enjoyed a trip to Domino's Pizza on Saturday, May 4, 2024. They participated in a pizza-making session, guided by the Domino's Pizza team, which was both fun-filled and educational. Each student received a certificate of participation, acknowledging their newfound pizza-making skills.

Before the commencement of the cycle test, finally, to conclude the half term, on May 12th, the boarders engaged in a recreational painting activity. They were tasked with painting based on their imagination, allowing them to express their creativity freely.

GRANGE BOARDING HOUSE SPOTLIGHT

We wish all our boarders a restful and rejuvenating half term break. May this time away from studies be filled with relaxation, fun, and cherished moments with family and friends.
