# WELCOME

## FROM THE HEAD OF SCHOOL

**Dear Parents and Guardians,**

It has been a wonderful week filled with engaging activities and memorable experiences for both our pupils and staff.

Today, the Primary School hosted its first-ever Happy Hour, a special time set aside for pupils to relax and unwind after a busy day of learning. The atmosphere was filled with excitement and joy, making it a truly enjoyable experience for everyone involved. Earlier this morning, we held our EYFS and KS1 Praise Assembly, where we celebrated the achievements, efforts, and positive attitudes of our pupils. It was heartwarming to see so many children recognised and encouraged for their growth and accomplishments.

Yesterday, we joined the rest of the world in marking World Book and Copyright Day and also yesterday, our Year 2 pupils visited the GreenFingers Wildlife Conservation Centre for an exciting and educational excursion. The pupils had a memorable experience learning about wildlife conservation and interacting with nature firsthand.

On Tuesday, 21st April 2026, the Primary School held its Monitors' Assembly, during which our Year 5 pupils confidently presented their manifesto speeches. It was encouraging to witness their leadership potential, confidence, and enthusiasm for service.

As part of our commitment to staff wellbeing, the school also hosted a health talk on Wednesday, 22nd April 2026, themed "Annual General Check-Up," led by a consultant from St. Nicholas Hospital. The session encouraged staff to take a proactive approach to their health through regular medical check-ups and screenings, covering areas such as blood pressure, cholesterol, diabetes, and cancer awareness.

Tomorrow, we look forward to hosting the Champion of Champions Edition, Season 2 of Grange's Got Talent. Thank you, as always, for your continued support and partnership.

Warm regards,

**Richard McMahon**  
*Head of School*

# IMPORTANT NOTICE

## Late

## Pick-Up

## Policy

## Notice

It has come to our attention that some parents consistently pick up their children late, in some cases well into the night. This pattern is becoming a growing concern. Kindly note that the school will have no choice but to begin enforcing a late pick-up fee of ₦25,000 per hour for any child not collected at the designated closing time. We appreciate your cooperation in ensuring that all students are picked up promptly.

## Grange's Got Talent Show Champion of Champions Edition Season 2

Tomorrow, we will host the Champion of Champions Edition, Season 2. Our top finalists will take to the stage once again as they compete for the title of Grand Champion. We look forward to an exciting showcase of dancing, singing, and instrumental performances. We wish all our pupils the very best as they perform.

## EYFS/KS1 Praise Assembly

Earlier this morning, we held our EYFS and KS1 Praise Assembly to celebrate our pupils. Children were recognised for their kindness, positive behaviour, strong effort in class, improved handwriting, and a very good attitude to their work. Our Nursery pupils also delighted everyone with a musical bells performance.

They confidently played Row, Row, Row Your Boat and Twinkle, Twinkle, Little Star under the guidance of Mrs. Augustus. It was a pleasure to watch.

# PRIMARY

## Monitors Assembly

On Tuesday, April 21, the Primary School held its Monitors' Assembly, during which Year 5 pupils presented their manifesto speeches. The candidates highlighted why they should be elected as school monitors, showcasing their leadership qualities, academic performance, sporting achievements, co-curricular involvement, behaviour records, and outlining various promises to their peers. Following the presentations, KS2 pupils and staff participated in the voting process. We commend all the candidates for their courage and preparation, and we look forward to the announcement of the selected monitors by the Senior Management Team.

## Happy Hour

This afternoon, the Primary School held its first Happy Hour. It was a time for pupils to relax after a busy day of learning. From Reception to Year 6, the children came down to the basketball court. Music began at 2:45pm, and they danced out of their classes to join in. It was a joyful time as they moved freely, enjoyed their favourite songs, and released their energy. Their teachers joined in the dancing, and the Head of Primary was also present. It was a lively and happy moment for everyone.

## Year 2 Excursion

Our Year 2 students visited GreenFingers Wildlife Conservation Centre yesterday for a memorable excursion. The children were excited to see a variety of animals, including birds, crocodiles, and a lion named Khiara. Their class reading of *The Enormous Crocodile* came alive as they observed real crocodiles up close. They also learned about the importance of protecting animals and caring for the environment, linking to Sustainable Development Goal 15 - Life on Land. Many pupils showed bravery by touching some of the animals, making the experience even more enjoyable. It was a fun and meaningful trip that the children will remember for a long time.

# SECONDARY

Year

8

Special

PSHE

On Tuesday, 21st April 2026, our Year 8 students took part in a special PSHE session facilitated by Bold Life Dynamics, an organisation dedicated to guiding young people and helping them build strong foundations for life. The session focused on important themes such as healthy relationships, understanding personal boundaries, and making responsible choices. It was both engaging and thought-provoking, with students participating actively and reflecting on the discussions. We are pleased with the positive impact of the session and remain committed to supporting the personal development and wellbeing of our students.

## House Meeting (Award of certificates and medals)

On Monday, April 20th, during the Secondary School assembly, awards, certificates, and medals were presented to students who participated in various competitions. Recognised events included the 3rd Athletics School Games (TASG) Competition, Dolphin League Season 7 Competition, and the Dolphin Swimming Third Leg Competition. Students were celebrated for their hard work, dedication, and outstanding performances.

# SECONDARY

## *Shakespeare Event*

Yesterday, we marked World Book and Copyright Day, a special occasion that celebrates books, reading, and authors around the world. The day also honours William Shakespeare, whose work continues to inspire generations. Our students brought literature to life through stage plays, spoken word, songs, and a lively Shakespearean-style performance.

It was pleasing to see their confidence, teamwork, and creativity on display. The event served as a strong reminder that books remain a powerful tool for learning and for understanding the world around us.
