WELCOME

FROM THE HEAD OF SCHOOL

Dear Parents and Guardians,

Although it has been a short week, it has certainly been a very eventful and exciting one for both our students and staff.

Our Accolades Assembly was held this week, and it was a pleasure to welcome the Director General, Office of Education Quality Assurance, Lagos State Government, Dr. Sulaimon Ogunmuyiwa, who attended alongside members of his team. We were delighted to have them join us in celebrating the achievements and excellence of our students.

For the very first time in Grange School history, TEDx Grange School, Lagos was successfully held on Wednesday, 29 April 2026, under the theme “The Edge of Possible.” It was truly inspiring to witness our students share their ideas and perspectives so eloquently.

The Special PSHE programme, The Edge Programme, also continued this week for our Year 8 students, with a focus on Understanding Responsibility. The sessions provided students with valuable opportunities for reflection, discussion, and personal growth.

One of the most exciting highlights of the week came from the Primary School. The school hosted the Champion of Champions Edition of Grange’s Got Talent. Despite the heavy rain, the event was filled with excitement, entertainment, and wonderful performances from our talented students. It was heartwarming to see the support from everyone who attended.

As we approach the May Day public holiday, I would like to wish all our families a restful and enjoyable long weekend. We hope you have a wonderful time with your children and loved ones.

Warm regards,

Richard McMahon
Head of School

IMPORTANT NOTICE

Conduct on School Premises

It has come to our notice that there have been a number of incidents involving confrontations between parents, as well as between parents and students, on the school premises. This behaviour is not acceptable. We kindly remind all parents to address concerns through the appropriate school channels. Please note that any parent involved in such incidents may be subject to disciplinary action.

May (Labour) Day

The Federal Government has declared tomorrow a public holiday in celebration of Workers' Day. The school will be closed on this day and will resume at the usual time on Monday, May 4, 2026.

ACCOLADES ASSEMBLY

This morning, we held our Primary and Secondary Accolades Assemblies, where we came together to recognise and celebrate our students' achievements during the Lent term. As usual, awards were given for academic excellence, improvement, and participation in sports, music, and other activities.

It was encouraging to see both high achievement and steady progress by many students. In the Primary School assembly, it was particularly noticeable that the girls received a large share of the awards this term. This has provided a healthy challenge to the boys, who have been encouraged to

raise their efforts and strive for greater balance in future assemblies.

We were also pleased to welcome Dr. Sulaimon Ogunmuyiwa, Director General, Office of Education Quality Assurance, Lagos State Government, who attended with members of his team. He expressed his satisfaction with what he observed. The Primary Orchestra made the event special with their performance of "Omo mi seun rere ti adara o" ("My child, do good and yours will be better"), which got parents and staff singing along. Both the Primary and Secondary assemblies were well organised and went smoothly.

Grange's Got Talent Show – Champion of Champions Edition (Season 2)

On Saturday, April 25th, we hosted the Champion of Champions Edition of Grange's Got Talent. Despite the heavy rain, the event was fun. Fourteen acts performed across dance, music, comedy, and visual arts, and the standard was very high. Our judges Seun Kuti, Lekan Isiaka, Folashayo Sobo, and April Oshidipe carefully assessed each performance. The overall winner was Ronel Oluwatoyinbo, who achieved a perfect score. His artwork was also auctioned for ₦1,000,000. It was a wonderful event that celebrated creativity and talent in our school.

SECONDARY

TEDx Grange School, Lagos - “The Edge of Possible”

The TEDx Grange School, Lagos event was successfully held yesterday, Wednesday, 29 April 2026, under the theme “The Edge of Possible.” Seventeen of our students had the opportunity to speak on the TEDx stage, showing confidence and strong communication skills. Their presentations reflected the school’s commitment to developing thoughtful and articulate young people. The programme also included music and dance performances, which added energy and enjoyment to the day. We thank Mr. Osemeke (the event’s initiator and General Coordinator), the English Department, and all our parents for their moral and financial support towards the success of this event.

Year 8 Special PSHE

The Special PSHE, The Edge Programme continued this week for Year 8 students, focusing on Understanding Responsibility. Students worked in two groups across separate venues, with sessions led by Dr. Olabisi and Coach Olatunji. The programme helped them understand different types of responsibility and reflect on personal accountability. Each student also wrote a responsibility pledge, encouraging them to make more responsible choices in their daily lives.

SECONDARY

Duke of Edinburgh

Some of our secondary students will be taking part in the The Duke of Edinburgh's Award expedition this weekend. During the adventure, students will take part in outdoor activities that will challenge them both physically and mentally. They will work together in groups, follow planned routes, and build important life skills. All safety measures have been put in place, and staff will be present throughout to ensure the well-being of every student. We encourage our students to take part with enthusiasm, responsibility, and teamwork. We look forward to hearing about their experiences.

Tiwa Savage Music Foundation Grand Finale

Our orchestra and choir students took part in a programme organised by the Tiwa Savage Music Foundation. They were trained in singing, playing instruments, stage skills, breathing techniques, and how to perform confidently on stage. They also learned what is expected in the music and creative industry. The programme helped students understand the skills and discipline needed for good performance. The school librarian also joined the programme and gained useful insights. Overall, it was a good experience that helped improve our students' musical and performance skills. Thank you to our Secondary Music teacher, Mr. Oguntade, for supporting and accompanying the students throughout the programme.
